Hocking College TRiO Talent Search Newsletter

Annual Report Success

The TRO Talent Search Program for Hocking College serving Miller Schools, Trimble Schools, and Tri-County Career Center recently submitted our Annual Report to the Department of Education for the Fiscal Year 2017. The program met or exceeded all objectives. The Mission of the TRIO Talent Search program at Hocking College is to provide student-centered support to individuals who are first-generation and/or low-income and who might not otherwise have the opportunity or personal support to complete postsecondary education.

Outcomes and Objectives

- ✎ 604 participants served
- ✎ 100% of underclass students persisted from one grade to the next (Objective 98%)
- ✎ 95% of seniors graduated (Objective 75%)
- ✎ 79% of graduating senior participants enrolled at an institution of Higher Education the fall following their graduation (Objective 60%)
- ✎ 43% of TRIO college bound graduates chose Hocking College

My Favorite Thing About TRIO...

TRIO helps me get more motivated and excited for college.

I would be lost without it.

TRIO...helps prepare me to further my education.

Our coordinator is the BEST at her job...I couldn't have applied to the colleges that I did without her help.

TRIO...opens [up] opportunities that I wouldn't have without it.

They made applying for college easier and seem less scary.
