

Accounting & Financial Services

PROGRAM DESCRIPTION

Accounting & Financial Services Program

Hocking College's Accounting and Financial Services Program is designed to provide students with the hands-on learning experience they'll need to successfully enter the accounting industry. Courtesy of Hocking College's smaller class sizes, students will be able to get the crucial one-on-one time with their instructors they need to become proficient in analyzing and recording business transactions, preparing worksheets, preparing and analyzing financial statements, providing financial information for stakeholders, calculating and preparing payroll, utilizing accounting software to record, analyze, and report financial data, and much more.

ARTICULATION AGREEMENTS

The Accounting & Financial Services Program has a '3+1' articulation agreement with Franklin University in which students can take 3 years of classes at Hocking College and then earn their bachelor's degree in one year at Franklin University.
