

Dental Hygiene

PROGRAM DESCRIPTION

Dental Hygiene Degree Program

Students who complete the two academic years of full-time instruction in the Dental Hygiene Program will receive an Associate of Applied Science in Dental Hygiene. Graduates of the program will be eligible to take the National and Regional board exams and state laws exam to become a Registered Dental Hygienist.

The curriculum content includes courses in the following four areas: General Education, Biomedical Sciences, Dental Sciences, and Dental Hygiene Sciences. Courses provide a thorough background in oral structure development and disease prevention, progression, and treatment. The program emphasizes professional and ethical interactions with patients and other health professionals. Effective communication skills are also gained through patient interaction and instructional methods within courses.

ACCREDITATION

The Dental Hygiene Program is accredited by the Commission on Dental Accreditation (CODA).

EMPLOYMENT

The average salary for a Dental Hygienist is \$76,220. In Ohio, the average salary ranges from \$53,310 - \$83,290. Dental Hygienists can work for private dentists, clinics, or companies that manufacture dental equipment and supplies.

ALL-INCLUSIVE PRICING

Hocking College offers all-inclusive pricing and works with students to assure they have complete college funding, including financial aid, before they start classes. All-inclusive pricing includes the following:

PER SEMESTER

\$300.....Learning Fee \$20......Health Center Services \$75......Career Center Services

Not included in the All-Inclusive Pricing

\$53.....Parking

Pricing for housing and meal plans can be found at hocking.edu/residence-halls.

DEGREE TRACK

The listed degree track is for the 2024/2025 Academic Year
