

Expanded Function Dental Auxiliary

PROGRAM DESCRIPTION

Expanded Function Dental Auxiliary Program

Students will develop self-evaluation skills, an understanding of the Ohio State Dental Board Rules and Laws as they pertain to EFDAs, as well as professionalism and critical thinking in dentistry. January through April students will complete over 100 hours of face-to-face pre-clinical didactic/ laboratory instruction on either Monday's or Thursdays. Emphasis is placed on sealants, amalgam restorations, composite restorations and temporary restorations. May through July students will complete 80 hours of clinical requirements under the supervision of their employer(s)-licensed dentist(s). Pre-clinical proficiency must be obtained prior to proceeding to patient treatment. Proficiency is deemed by passing pre-clinical weekly competencies, final competency examination, and instructor recommendation.

ACCREDITATION

The Dental Hygiene Program is accredited by the Commission on Dental Accreditation (CODA).

EMPLOYMENT

The EFDA Profession offers opportunities with an excellent income and flexible schedules. EFDAs work in general dental practices as well as pediatric practices, orthodontic practices and corporate dental practices. Opportunities also are available in public health departments, community programs and clinics.
