

# EMT/Paramedic

## PROGRAM DESCRIPTION

### EMT/Paramedic Certificate Program

Hocking College's EMT/Paramedic Certificate Program provides hands-on, career focused training for students pursuing work in emergency medical services. The program emphasizes practical learning in a realistic labs and simulation settings designed to reflect real-world emergency responses.

Students begin with the one-semester EMT course, which will prepare them to take the National Registry exam and earn State of Ohio EMT certification. The three semester Paramedic program builds on the foundation with advanced medical training and prepares graduates for the National Registry testing and Ohio Paramedic Licensure. Instruction is delivered by experienced EMS professionals who bring real-world knowledge into the classroom and lab. Graduates leave the program prepared to serve their communities with confidence, skill, and professionalism in a variety of emergency medical settings.
