

Fashion Design & Retail Merchandising

PROGRAM DESCRIPTION

Fashion Design & Retail Merchandising Program

The Fashion Design and Retail Merchandising program will provide area students with a 2-year pathway to the vast fashion & retail industry in nearby Central Ohio.

The Fashion Design and Retail Merchandising program is strategically designed to deliver technical apparel development training, valuable product development & consumer research experience, entrepreneurial retail expertise, and industry-specific technology training necessary to succeed in the fashion industry now and in the future.

This degree program will prepare students to gain employment in creative or technical fields in the fashion industry at the corporate level, emerging small business level, or in entrepreneurship as a fashion based start-up.

ALL-INCLUSIVE PRICING

Hocking College offers all-inclusive pricing and works with students to assure they have complete college funding, including financial aid, before they start classes. All-inclusive pricing includes the following:
