

Fish Management & Aquaculture Sciences

PROGRAM DESCRIPTION

Fish Management & Aquaculture Sciences Program

The Fish Management and Aquaculture Sciences Program prepares students for a career working with both game and non-game species of fish in fish management and fish culture.

The program prepares students for positions with county, state and private water management agencies, state and federal Divisions of Natural Resources which require a two-year degree, and private enterprise aquaculture facilities.

PLACES OF EMPLOYMENT

Examples of places where Hocking College alumni have worked or are currently working include the following:

DIPAC/Macaulay Salmon Hatchery • Aquadoc • Fender's
State Fish Hatcheries • National Fish Hatcheries • Private Fish Hatcheries

ALL-INCLUSIVE PRICING

Hocking College offers all-inclusive pricing and works with students to assure they have complete college funding, including financial aid, before they start classes. All-inclusive pricing includes the following:

PER SEMESTER

\$300.....Learning Fee

\$20.......Health Center Services \$75......Career Center Services
