

# Laboratory Sciences: Cannabis Lab Technician

## PROGRAM DESCRIPTION

### Laboratory Sciences - Cannabis Lab Technician Program

The Cannabis Lab Technician program at Hocking College is the first Associate Degree in Laboratory Sciences with a major in Cannabis Laboratory in the United States. Students will be learning cannabis specific tests and techniques while spending a significant amount of time with hands-on training using the same analytical instruments found in commercial testing labs. The new student lab allows for on-site processing operations in addition to analytical testing.

## ALL-INCLUSIVE PRICING

Hocking College offers all-inclusive pricing and works with students to assure they have complete college funding, including financial aid, before they start classes. All-inclusive pricing includes the following:
