

Natural Resources Law Enforcement

PROGRAM DESCRIPTION

Natural Resources Law Enforcement Program

The Natural Resources Law Enforcement Program prepares students for emergency service and visitor assistance careers in the natural resources field.

The program is designed to teach the skills necessary to protect life and resources from harm in federal, state, local, and privately-held parklands, natural areas, recreational sites, and managed resource areas. Rangers frequently engage in law enforcement, search and rescue, emergency medicine, fire fighting, visitor and user assistance, resource management and education.

Graduates of the program are eligible for employment as park rangers and Game Wardens at private, local, county, state and federal levels.
