

Hocking College Anti-Hazing Report

Anti-Hazing Compliance and Transparency Report

Hocking College is committed to maintaining a safe and respectful learning environment and strictly prohibits hazing in any form. This Anti-Hazing Report is published in accordance with Ohio Senate Bill 126 (Collin's Law): The Ohio Anti-Hazing Act, as codified in the Ohio Revised Code section 3345.19, and provides a cumulative, publicly available summary of hazing violations involving recognized student organizations or groups. When no hazing violations are reported during a reporting period, that information is affirmatively stated to ensure transparency. Hazing is prohibited regardless of a student's willingness to participate and includes any conduct that creates a substantial risk of physical or mental harm. This report is updated on a biannual basis and reflects Hocking College's ongoing commitment to hazing prevention, student safety, and legal compliance.
